DETAILED ACTION

Allowable Subject Matter

1. Claims 2-8 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art fails to disclose or render obvious an apparatus for mounting an aerosol spray can in combination with the other claimed limitations of claim 7:

"wherein movement of the actuator member pivots the trigger lever such that the second arm of the trigger lever engages the first end of the trigger hammer, and further wherein the trigger lever rotates the trigger hammer such that the second end of the trigger hammer travels downward and depresses the push-button of the aerosol spray can".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
